HOLIDAY Party

HO HO HO

Parents, Guardians & children, we're happy to invite you to attend our yearly holiday celebrations! Please help us and Santa make a list for gifts as we would love to have everyone be spoiled at this joyous time of the year. We would like attendees to use the RVSP link to please confirm which party/location they will be attending, as well as child/rens name, age, and preferred gender for Santa's Gift List.

We are also searching for a Santa Clause and three elves at each location, please contact Natalie Pielle if you are interested in being a volunteer! You'll be top of the Nice List with some tala(money) in your stocking!

E:mote - thank you for helping us plan, and join the holiday celebration!
