Malaya Malapitan, Recording Technician

Hello, my name is Malaya Malapitan, and I am working as the Recording Technician for the language department at Klahoose First Nation. I have been hired on as the Recording Technician for the language department for the purpose of documenting our Ayajuthem language and developing word lists to be recorded. I will be participating in updating and uploading audio files, words, phrases, pictures, etc. to Klahoose’s First Voices website. I will also be helping the department in creating language resources such as bingo cards, posters, and interactive work sheets. I hope the resources can be of help to the youth and beginner learners. I am a learner myself and Some things to know about me is that I love to bake and I love to play video games like Mario Kart and/or other challenging games. I go back and forth from Campbell River to Cortes for work and live with my family and dog.

I hope to achieve my goal as the Recording Technician to document as much language as possible and to spread my love and knowledge of Ayajuthem to the community. I’m so happy for the opportunity and can’t wait to do more work with the language!

JO ANN GREEN ENVIRONMENTAL AWARD

Jo Ann Green was an exemplary environmentalist. She came to Cortes Island in 1969, settled on Coulter Bay Road, and immediately became involved in social and environmental activities on the island. She was a leader in the formation of FOCI, was a member of the Cortes Oyster Co-op, and was active as a homemaker in support of home services on the island. Jo Ann represents the spirit of Cortes Island’s resilience, and it’s residents’ recognition of the vital importance of the natural environment. The Jo Ann Green Environmental Award recognizes her contribution, and the contributions of those who follow in her footsteps. This award is given to a Cortes Islander or organization who has made significant contributions to the environmental well being of the Community.

■ My very favourite service on Cortes Island is the flawlessly run Klahoose Bus. From the visionaries who initiated this service, to the ever-cheerful and endlessly helpful driver, Ian Ross; from forward-thinking BC ferries execs who (finally) granted priority loading on both ferries in both directions, twice a week, to the Klahoose membership who have opened bus use to other islanders, this is truly a community project.

A full bus can mean up to a dozen other vehicles are not taking up ferry space, are not on the road, each running around in a frenzy that is a town trip. Elders and others travelling without their own behicle can still do off-island shopping and attend medical and other appointments. And we can meet and visit with our neighbours on these off-island jaunts.

Helen Hall
Executive Director
Friends of Cortes Island.

“Klahoose wins the Jo Ann Environmental Award, thank you Ian Ross for all the hard work you do driving the bus for the Cortes Community. Everyone appreciates you!”
- Kevin Peacey, Chief of Klahoose.

GENERAL INFORMATION

■ Community Reminder: Garbage Guidelines

Please ensure that all household garbage is properly bagged and tied before collection from the Klahoose Maintenance Team. Loose garbage, torn bags or waste scattered on the ground will not be picked up and is not the responsibility of the team to sort through personal garbage left in yards.

All animal waste, hazardous or unsanitary items must be placed in an appropriate garbage bag and securely tied. If garbage is left behind due to improper disposal, residents are responsible for correcting it or taking it to the dump themselves.

■ Community Reminder: Recycling Guidelines

Please do not place unsorted recycling directly into the large blue bins ♻️ (These bins are for cardboard). Recycling must be sorted into the correct colour recycling bags (red, yellow & blue reusable recycling bags, we have extras & laminated recycling info for your fridges at the MPB - come on up and ask us!).

If you are unable to sort recycling to our guidelines, please place it in a tied garbage bag and dispose of it in the garbage bin instead (Though we highly encourage recycling to help care for our planet).

Thank you for helping keep our community clean, safe, and respected for everyone!

■ Reduce, Reuse, Recycle!

Every Tuesday is Compost Day!

Please have your compost bucket at the end of your driveway before **2:00 PM Pick-up**.

Every Wednesday is Recycle Day!

Please have your tri-colour recycling bags at the end of your driveway before **8:00 AM Pick-up**.

Every Thursday is Garbage Day!

Please have your garbage bins out at the end of your driveway before **8:00 AM Pick-up**.
Remember, 2 bags per household.

■ Cortes Recycling Center: Information

Do you have clothes and/or household items that can be reused?

The Cortes island Free Store winter hours are from **9:00 AM - 12:30 PM, Thursday - Sunday**.

Did you miss a recycle or garbage day?

The Cortes Island Recycling Center winter hours are from **9:00 AM - 1:00 PM, Thursday - Sunday**.

-

The Cortes Recycling Center has requested and encourages Cortes Island residents to utilize their roadside garbage pick-up services as opposed to bringing directly to their big containers as they will not be exchanged to empty ones until the Whaletown Ferry shut down is over.

Thank you for your patience and understanding during this time!

■ Call to Klahoose / ʕoʕos Artists

Qathen Xwegas Management Corporation (QXMC) is the economic development arm of the Klahoose First Nation. QXMC is proud to steward and operate a growing portfolio of Klahoose-owned enterprises, including Klahoose Wilderness Resort (θiyčəmmayič), and Gorge Harbour Marina Resort (saʕʕ) on Cortes Island. These businesses are recognized for their commitment to Indigenous tourism, cultural integrity, and community-based economic growth.

As part of this commitment, QXMC is pleased to begin expanding support for Klahoose artistic and creative development, with a focus on showcasing both established and emerging Klahoose / ʕoʕos artists within our business spaces. Our intention is to fill these spaces with authentic Klahoose artistic expressions that reflect our stories, values, and connection to the land.

This initiative is designed to bridge tradition and innovation, increasing the visibility of Klahoose artists as part of a collective creative presence—shared within our territory and with visitors from around the world.

QXMC has the privilege of managing business ventures that align with community values, respect the land, and support the long-term vision of the Klahoose people. Every opportunity we pursue is evaluated not only for its immediate benefit, but for its ability to contribute to sustainable prosperity for future generations.

We warmly invite Klahoose / ʕoʕos artists to share their portfolios, whether through physical samples, digital files, websites, or links, for consideration.

Thank you, ʕimot!

Winter Reading Challenge

This winter, the Cortes Island Women's Resource Society is inviting our community to join us in a simple act of Reconciliation:

Read a book by an Indigenous author!

Open to all ages + genders!

We'll be hosting a community sharing event in early spring for anybody who wants to talk about the book they chose

Let's read, learn, and listen together

You can find events, Services and more on the Cortes Island Tideline!
