

Work Opportunity: Inquiry

Waste Management System upgrades
(August/September 2025 & 1.5 to 2 years in
the future)

The Infrastructure & Development Department is currently seeking expressions of interest from Klahoose community members who have experience in the following areas for the future:

- Archaeological Monitors
- Environmental Monitors
- General Labourers
- Heavy Equipment Operators
- Community Members with Equipment (e.g., trucking, excavation)

Please contact Rob Dinning if this peaks your interest.
